

# Le grand Sud „light“

Discover the south of Tunisia, feel the sand between your toes and listen to the silence of the desert

4 days desert, Nationalpark Sahara, Oases, Thermals and a Bedouine village

Yellow sand, Tablemountains and Bedouins (Berber)

## Feel the magic of the desert

in South Tunisia. Swimming in natural thermals after a stunning sunset, cooking the traditional „pain du sable“, the bread of the desert with the bedouins, camel trekking and conquering the biggest dunes on your own feet. Climbing up the nature monuments and wonders of the world, the table mountains of Timbaine.

Digging into an Oasis and walking in the footprints of the Tunisian Bedouins, called *Amazigh*. Going back to a time where mobile phones and foto cameras were unimaginable.

Diving into a millennium old culture and be impressed by the unique architecture of the Troglodyte house constructions of the bedouins.
